The Hispanic Community Advisory Council (HCAC) is a non-profit organization focused on improving the quality of health and health resources and providing life supporting services for hundreds of uninsured individuals and families. Over the last 20 years, HCAC has provided medical services and health care information to approximately 5,000 individuals a year. While their primary outreach is the Hispanic community, they touch the lives of a wide cross section of people in need. The focus of this health fair is on providing free medical services and health care education.

Screening volunteer times will be scheduled in 2 hour increments. You may sign up for as many time slots as you like. Please indicate the time(s) for which you would like to participate.
